**Seminar 1 — Overview & ChairSide Diagnostics, November 17-18, 2017  
17207 Kuykendahl Rd #150, Spring, TX 77379**

“Airway redevelopment is among the most powerful and best appreciated modalities in biological dentistry. A Holistic Mouth supports whole body health through ABCDES: alignment, breathing, circulation, digestion, energy, and sleep.” ~ Dr. Felix Liao

Your current and new patients are turning blue waiting for you to become a Holistic Mouth doctor. Who will rescue them if not you?

**Expand Your Brand to Holistic Mouth Doctor™ (HMD).** A HMD can deliver:

- A wider airway to upgrade whole body health through sleep.
- An occlusion to reduce pain and fatigue by aligning head-jaws-spine.
- Holistic Mouth as a natural solution to Impaired Mouth Syndrome.

**Why Expand Your Brand from Tooth Doctor to Holistic Mouth Doctor?**

- Better Outcome, Higher Income, Bigger Impact with less physical demand.
- What % of your patients suffer from Snoring, Teeth Grinding, TMJ Dysfunctions, Persistent Sensitivities, One Dental Trouble After Another?
- What's % of your patients come with High Blood Pressure, Brain Fog, Hypothyroidism, Overweight, Depression/Anxiety, Cancer, Sleep Apnea.

**What Is Holistic Mouth Doctor-in-Training™?**

- 5 seminars over @ 10 months with mentoring for your first 5 DNA cases through Phase I orthopedics. (4 seminars for those already certified in DNA appliances)
- Developing your WholeHealth knowledge base for better outcome.

**HMD-in-Training™ is a series of 5 seminars covering:**

3. WholeHealth Diagnostics and Integration to become a Holistic Mouth Consultant.
4. Successful appliance delivery to become a WholeHealth treatment planner.
5. Successful airway redevelopment to become a Holistic Mouth Solutions™ provider.

**Attend Seminar-1, Overview and Chair Side Diagnostics, to Turn Yourself and Your Team into Impaired Mouth Investigators to:**

- Simplify the patient education and engagement process and empower your office team.
- Acquire new eyes to spot Impaired Mouth Syndrome and see what a HMD can do about it.
- Discover the need for a WholeHealth knowledge base to manage the “bumps in the road”.
- Identify hidden oral-systemic factors and avoid cases not suited for beginners.
- See how those who follow our roadmap can generate \$50,000 -100,000 of extra income from as few as ten (10) cases.

**How is HMD-in-Training different from other airway & sleep appliance seminars?**

- Diagnosis: identifying oral + systemic causes of Impaired Mouth Syndrome.
- Mentoring: supervision over your first 5 cases to speed and smooth the learning curve.
- WholeHealth: a HMD is much more than a biological dentist with many oral appliances; a HMD knows how the mouth contributes to mind-body pain and illness, and vice versa.

## Return on Investment on Becoming A Holistic Mouth Doctor™

HMD-in-Training Seminars will grow new eyes for you to see:

- Large number of undiagnosed Impaired Mouths in your practice. “It’s crazy how much more I see now after the first seminar!” says Dr. F. Nesbit of Maryland.
- Each Impaired Mouth is a whole-mouth case worth 2 - 3X of your local orthodontic case fees conservatively, and billable to medical insurance with positive sleep test.
- Those who follow our diagnostic roadmap can generate \$50,000-100,000 of additional income from as few as 10 cases.
- As few as four cases can pay for your entire HMD training from Phase I fees alone. You’ll be hard-pressed to find a greater ROI (Return on Investment)!

### 6 Compelling Reasons to Train with Dr. Liao

1. Better clinical outcome by treating the root causes of Impaired Mouth Syndrome (IMS) rather than managing symptoms or doing harm.
2. Higher income: each Impaired Mouth diagnosed is a full-mouth case — see ROI above.
3. Lower stress: no need to bend over the patient to derive an income.
4. Brand differentiation: patients will love you even more because you are using your drills, needles, scalpel far less than other dentists.
5. Rising reputation: as an HMD™, you will become a powerful resource to successfully treat Impaired Mouth and help patient age well gracefully, beyond imagination.
6. Personal health and wellness — see the slide above of my own case. How much is your sleep and airway worth to you?
